MEMBERSHIP OF PULMONARY HYPERTENSION ASSOCIATION OF SOUTH AFRICA

The Pulmonary Hypertension Association of South Africa (PHA South Africa) wants to invite all South Africans and abroad to become a member of this organisation. This will enable a member to be part of the decision making in the organisation by having a vote or proxy at the biennial general meetings.

PHA South Africa relies on donations and fundraising to further its aims and objectives and each member that signs up enables us to provide more assistance to persons with Pulmonary Hypertension in South Africa.

Members will also receive a newsletter twice a year with relevant information about the association and new developments in South Africa and international news.

Please complete the attached application for membership and find attached the banking details to pay your membership fees. Please fax your application for membership as well as the proof of payment to fax: 086 670 9544. Please put your surname and PHA SA on your deposit slip when paying your fees, to serve as reference.
